Dank Mono: The coding typeface for aesthetes

 Phil Pluckthun

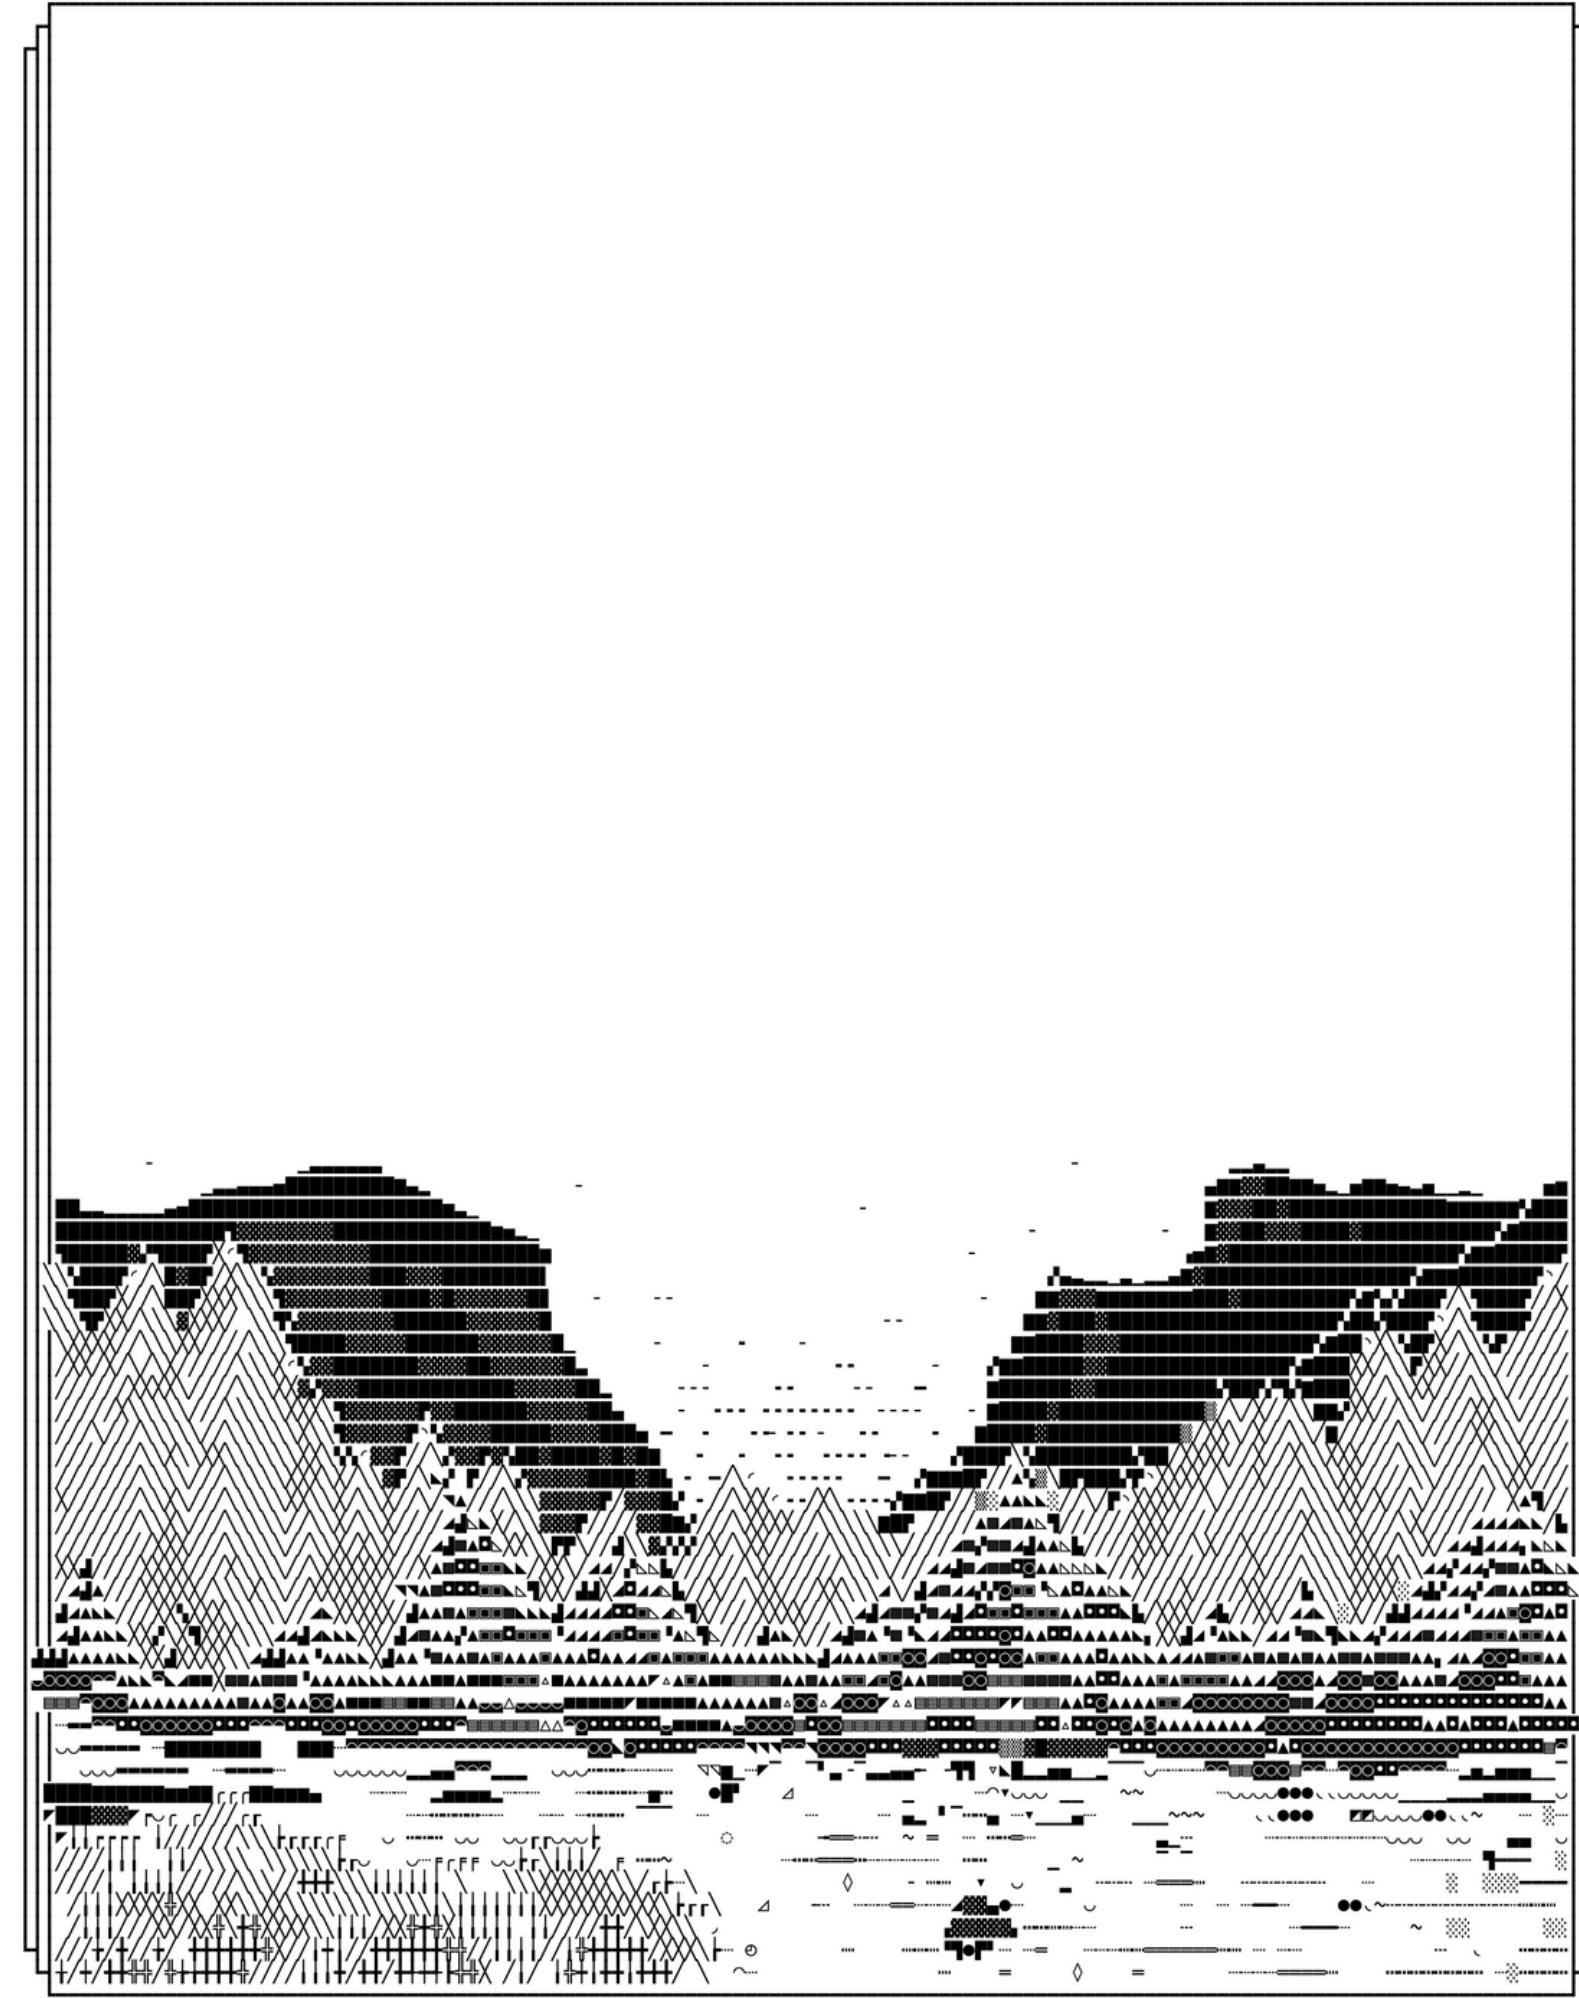

★★★★★ 244 ratings

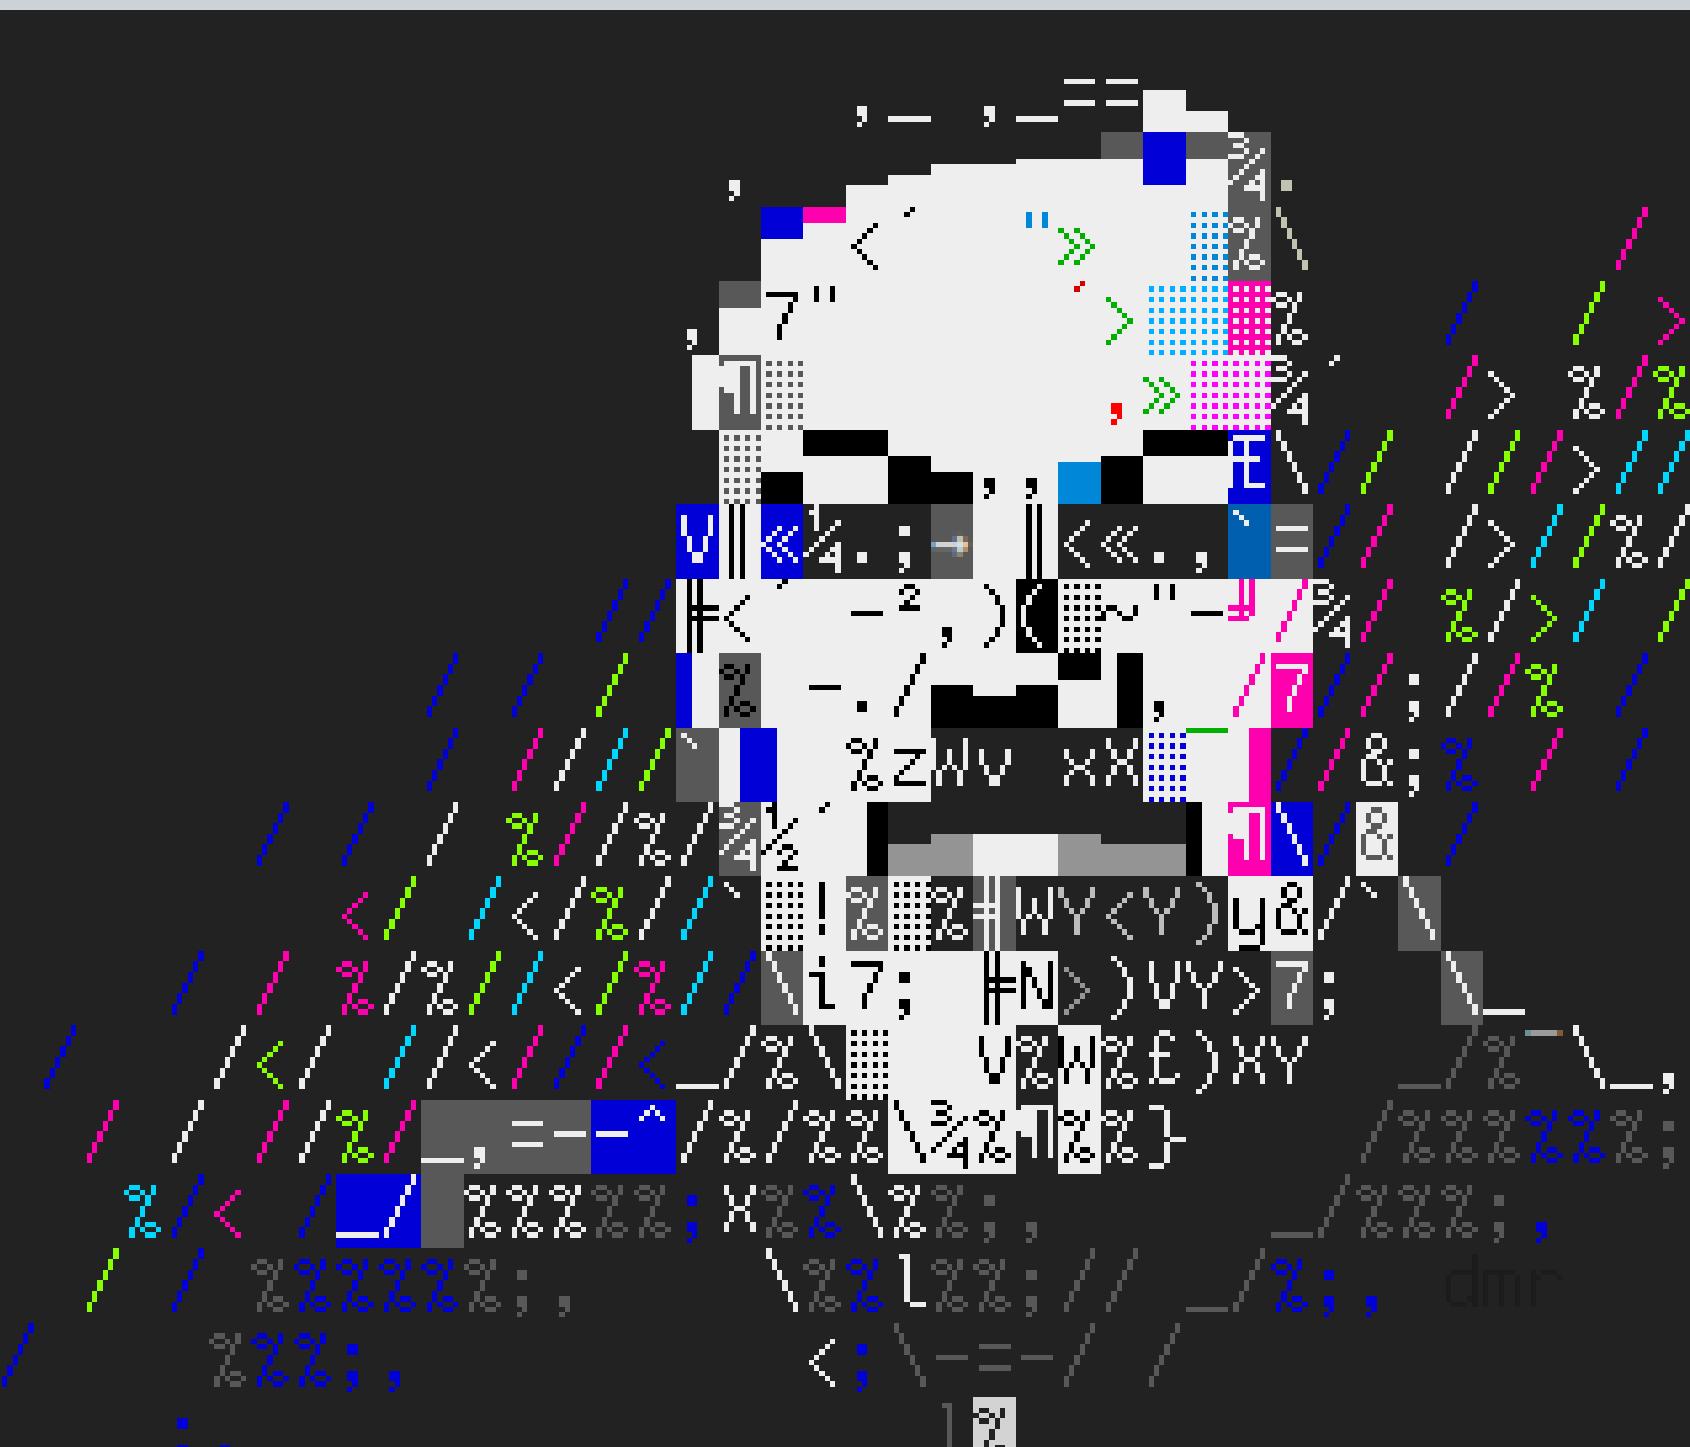

A typeface designed for coding aesthetes with modern displays in mind. Delightful ligatures and an italic variant and bold style.

GENIUS TO UNDERSTAND ITS SIMPLICITY

You are in the forest outside Granny's cottage - which lies to the west. Spongey leaves squelch underfoot from the trees which tower above. There's a thick smell of leaf litter in the air. The forest path leads north and south.
